

## **BIO-key Presents Biometric and Bluetooth Enabled Padlocks Fingerprint Readers at DESIGN TOKYO - Japan's Leading Consumer Product Trade Show**

**“TouchLock TSA Pro” Biometric Travel Lock Selected as “Editor's Pick”**

TOKYO and WALL, N.J., June 27, 2018 (GLOBE NEWSWIRE) -- [BIO-key International, Inc. \(NASDAQ:BKYI\)](#), an innovative provider of biometric authentication and security solutions, today announced it will present its complete line of consumer biometric and Bluetooth enabled products at the [DESIGN TOKYO](#) expo July 4<sup>th</sup> – 6<sup>th</sup>.

BIO-key will showcase its innovative line of biometric and Bluetooth enabled locks as well as its compact fingerprint readers for Windows devices. BIO-key will also introduce two new products: [TouchLock TSA Pro](#), (MSRP \$89.99 USD) a biometric and Bluetooth enabled travel padlock that was selected as the “Editor's Pick” by the DESIGN TOKYO committee, and [TouchLock Bike Pro](#), (MSRP \$119.00 USD) a biometric and Bluetooth enabled bicycle lock.

Wong Kwok Fong, Managing Director, BIO-key Hong Kong Limited, commented, “DESIGN TOKYO, Japan's leading trade fair that attracts key customers and buyers across the Asia Pacific, will provide global visibility for our dynamic range of consumer products. TouchLock TSA Pro makes traveling easier and more secure by eliminating the keys and combinations that made the use of travel locks inconvenient. It has been recognized by DESIGN TOKYO as an innovative product, and we anticipate that our line of biometric and Bluetooth bicycle locks will be similarly well received. We look forward to showcasing our state-of-the-art technology solutions designed to solve the challenges consumers face in securing their physical and digital assets.”
